TASK BEHAVIOR POLICY

The mission of TASK is to provide a supportive environment where individuals with physical and intellectual disabilities can succeed and gain independence, responsibility, and self-esteem. TASK wants your athlete to have a successful experience. We feel that all athletes, staff, and volunteers should feel safe and comfortable in our program.

TASK staff will contact you if your child is having a difficult time participating in activities. Specific follow-up plans will be put in place per a parent-staff discussion.

If the athlete's actions continue to be an issue, TASK reserves the right to dismiss your child if he or she exhibits inappropriate behavior or is not having a successful recreational experience. This includes, but is not limited to, participants that exhibit aggressive behaviors, cause harm to either themselves or others, or is unable to be redirected. Dismissal is done at the discretion of the Director.

I acknowledge the importance of the TASK Behavior Policy and agree to abide by the guidelines.
